Subject: Manson Insulation history

Please find following a time line of the major events regarding the evolution of Manson Insulation.

- February 1986, purchase of Johns Manville's plants in Brossard Quebec and Scarborough Ontario by Keith Eaman and Shawn Tilson.
New entity named Manson Insulation
- April 2008, Eaman and Tilson agree to sell Manson Insulation to Knauf Insulation.
- July 2008, last month of Pipe production in Brossard facility; all Manson pipe production is transferred to Knauf's Shelbyville, IN facility.
- December 2008 Manson Insulation Products Ltd. moves its offices to current location. The existing facility is sold and converted to warehousing once the equipment is dismantled.
- January 2009, production of all remaining Manson Insulation products is transferred to Knauf's Shelbyville, IN facility.

If you need any further information, please do not hesitate to contact me.

Sincerely,

MANSON INSULATION
