**RE: 2017 Price Increase - Pressed Aluminum WeatherJacs for
Aspen Aerogels Precision Cut Fitting Covers**

Dear Customer,

We would like to inform you of an upcoming price increase in regards to our Pressed Aluminum WeatherJacs for our Aspen Aerogels Fitting Covers. We are incurring a price increase from our supplier due to the increase in raw materials and unfortunately we must pass this increase along.

**Pressed Aluminum WeatherJacs for Aspen Aerogels Fitting Covers
8% Price Increase Effective 2/20/2017**

This price increase will be applied as an adjustment to your every day discount for this category. The price increase will be effective with all orders placed on or after February 20, 2017. You will receive a follow up email with your new discount.

We are grateful for your understanding and will continue to strive to improve our processes and procedures in hopes of controlling costs associated with providing our products to you and your customers. If you should have any questions in regards to this increase in pricing, please contact me! I can be reached at 800-628-6998.

Sincerely,

A handwritten signature in black ink, appearing to read "Tracy R. Ludwick". The signature is written in a cursive, flowing style with a large initial "T" and "L".
