Dear Valued Customer,

The destruction that hurricane Harvey has inflicted on the Gulf region is having a major impact on raw material pricing and availability.

In response Reflectix will be implementing a 5% price increase with all new orders placed on or after November 16th, 2017 for immediate delivery.

We understand how difficult these times are and appreciate your understanding and patience as we work through the issues that Harvey has caused to our business.

Sincerely,

Dale Tokarski
President
