

November 1, 2017

Dear Valued Customer:

I am very pleased to announce that effective November 1, 2017 Carlisle Construction Materials (CCM) completed the acquisition of Accella Performance Materials (including all companies within Accella Performance Materials). The press release, available [here](#), provides additional details.

We expect a smooth transition and will continue to work diligently to assist you in achieving the goals for your business. Accella, a St. Louis based company, will be operated as a stand-alone operating company within Carlisle Construction Materials. The Accella management team and our employees will remain in place conducting 'business as usual.' We will continue to deliver the 'Speed, Scale, and Solutions' our customers have come to expect from Accella, strengthened with the strong strategic fit, support and backing of the Carlisle Companies.

***Our mission remains the same - to be the preferred choice with the best products and service in the industry to help our customers improve their productivity and profitability.***

If you have any questions, please feel free to contact me or any one of our employees and they will get you the answers you need.

Thank you for your continued business and trust in our employees.

Sincerely,

A handwritten signature in blue ink that reads "Andy Harris". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
