To our valued customers,

Most important we would like to thank you for your support over the last year and look forward to working with you in 2018. Due to low profitability we must adjust our prices on all Foamglas products. The increase will be approximately 15% and will be effective January 15, 2018.

PTF Insulation Fabricators will adjust pricing on the web site at this time.

Thank you for your continued business and support,

Obed Mendoza
