

SMC has a new National Sales Director

We would like to announce our new National Sales Director – Mr. Jay First. Jay is a long time player in the industrial insulation market and is anxious to add molded perlite and aerogel products to his repertoire. Jay and Jacob Pena (Houston Plant Manager) will be at the upcoming SWICA conference. They hope to reconnect and meet as many new faces as possible.

Please add Jay to your LinkedIn network and contact via the below information:
