Price Increase Announcement

Effective: January 1, 2022

Dear Valued MFM Customer,

Due to the rising cost of aluminum, as well as the continued increase in transportation, polymer films and asphalt, MFM will have to implement a price increase on the following products:

- FlexClad-400
- FlexClad-250

The price increase is approximately 5% for Aluminum, and approximately 6% for Almond and White coated products.

The price increase applies to all orders that ship on or after January 1, 2022, regardless of the order placement date.

Revised pricing lists will be available in early December. If you have any questions, please contact your local MFM Sales Representative, or MFM Customer Service at 800-882-7663 or at customerservice@mfmbp.com.

We are very grateful for your business.

Sincerely,

A handwritten signature in black ink that reads "David Delcoma". The signature is written in a cursive style.

David Delcoma, Product Marketing Manager
