Dear Valued Customer,

We continue to experience significant volatility and increases in EPS Raw Material, corrugated, plastics, transportation, and energy expenses. Due to these, and other increases, Drew Foam Companies will raise the price of its products by 10.0% on all shipments beginning Jan 4, 2022.

We thank you for your business and look forward to the opportunity to serve you as we continue our business relationship. If you have any question concerning this increase or your account, please contact your sales representative.

Sincerely,

B. Shannon Fuller  
Chief Operating Officer  
Drew Foam Companies, Inc.
