2025 Tool Price Increase Announcement (Effective July 14, 2025)

Dear Valued Customer,

We want to inform you that, effective **July 14, 2025**, several of our products will be subject to a **price increase**. These adjustments are a direct result of increased manufacturing costs and tariffs imposed on various materials and goods. Please understand that these changes are strictly **pass-through costs** — we are only adjusting pricing to reflect the changes we've received from our suppliers.

Please note:

- **Saddles and Blocks will remain at their current pricing.**
- Fully updated price pages will be distributed during the **week of June 16-20th, 2025**.
- Refer to the second page of this document for the % increase by product.

We remain committed to supporting your business with quality products and reliable service. Below is a snapshot chart of the upcoming changes.

Sincerely,

Andrew Hiatt
