RE: BULLETIN – Price Increase – May 25th 2026

We remain committed to delivering high-quality products and exceptional service while navigating the rising costs impacting our industry. Recent market events have accelerated increases in raw material costs further contributing to this pressure. To support this commitment, we will implement a general price increase of 7% on all DELTA® branded products, effective Monday, May 25, 2026.

Updated price sheets will be distributed in advance of the effective date. All orders placed on or after Monday May 25th, 2026, will be invoiced at the new pricing.

If you have any questions regarding specific products or orders currently in process, please contact your Territory Sales Manager or our Customer Service team.

As always, we appreciate your continued support of Dörken Systems Inc.
