Re: Price Increase – June 8, 2026

Dear Valued Customer,

Due to increased costs, JPL will be implementing an 8% price increase on all products effective with orders placed on or after June 8, 2026.

All orders placed prior to the increase will be for immediate shipment.

New price sheets will be issued well before the implementation date. If you have any questions, please contact your JPL representative.

We value your business and thank you for your understanding.

Sincerely,
