

March 20, 2026

Dear Valued Partner,

We sincerely appreciate your continued partnership and trust in CleanFiber. We remain committed to delivering high-quality, sustainable insulation solutions along with the service and reliability you expect from us.

Due to ongoing inflationary pressures and sustained increases in raw material, energy, transportation, and operating costs, we can no longer absorb these impacts. As a result, CleanFiber will implement a 5% price increase on all products, effective for all orders shipped on or after April 20, 2026.

This decision was not made lightly. Like many in our industry, we continue to experience cost volatility across key inputs and logistics. We have worked diligently to manage these pressures internally, but current conditions require us to adjust pricing to ensure we can continue to supply and support our customers at the highest level.

All orders shipped prior to April 20, will be invoiced at current pricing. Any orders shipping on or after this date will reflect the new pricing.

Your CleanFiber sales representative will be available to discuss any questions or help you plan upcoming orders. We greatly value your business and appreciate your understanding as we navigate these market conditions together.

Thank you for your continued partnership!

Best regards,

A handwritten signature in black ink that reads "Kevin Brown". The signature is written in a cursive, flowing style.

Kevin Brown

Vice President of Sales, CleanFiber
