Subject: Notification of Upcoming Price Increase – Effective July 1, 2026

Dear Valued Midwest Fasteners Customer,

We appreciate your business and the trust you place in Midwest Fasteners. We remain committed to controlling our costs while consistently delivering high-quality products to meet your needs.

Although we have made every effort to manage operational costs, factors such as rising labor and benefit costs, increased cost of energy, and the cost of materials and supplies have led to higher overall operational costs.

Effective July 1, 2026, we are increasing our prices by 6.5%.

Our Midwest Fasteners sales representatives will follow up with you before the effective date of this increase to answer any questions you may have.

The intention of this notice is to provide you with reasonable time, as we have historically done, to manage this change within your business.

Thank you for your continued partnership and trust in Midwest Fasteners. We appreciate your business and look forward to continuing our mutually beneficial business relationship.

Sincerely,

A handwritten signature in blue ink, appearing to read "Nate Conley".
